Precautions

- * Please check the product is in good condition before installation.
- * Please ensure the power is off before wiring and installing.
- * Please use this product for indoor only.

Easy Installation

Please as the following steps from ① to ⑧ for your reference:

① Put the lampshade on the top.

②③④ Connect the 2nd, 3rd and 4th rods in turn.

⑤ Connect the rod with foot switch to the floor lamp base. Put the two rollers in the lampshade in the same direction, and press them into the plastic clasp to make them completely coincident. please note that the raised part of the steel ring should be inward.

⑥ Bonding velcro.

⑦⑧ Place the lamp cover at the bulb interface.
